

# Oxford Paediatric Difficult Airway Workshop

Friday May 10th 2024 08:45-17:30

Millennium Hall, Horton-cum-Studley,  
Oxford, OX33 1BF

## Course Organisers:

*Dr Arnie Choi, Consultant Paediatric Anaesthetist*

*Dr Karen Medlock, Consultant Paediatric Anaesthetist*

*Dr Claire Ansley-Watson, Consultant Paediatric Anaesthetist*

The Paediatric Difficult Airway Workshop is for trainees and consultants who anaesthetise children and wish to refresh and update skills in managing children with a difficult airway. The course aims to discuss the management of the anticipated and unanticipated paediatric difficult airway. The format of the day is one of short interactive lectures, videos and several hands-on small group workshops. The workshops cover video laryngoscopy, flexible bronchoscope techniques, modified airway and LMA access techniques including using guidewires and airway exchange catheters.

Delegate numbers are limited to 30 places to allow maximum opportunity to interact and interrogate the faculty, so early booking is recommended. Registration fee includes refreshments and lunch.

**Registration Fee: £250 - 5 CPD points being applied for (TBC)**

**Enquiries:** Dr. Claire Ansley-Watson E-mail: [claire.ansley-watson@ouh.nhs.uk](mailto:claire.ansley-watson@ouh.nhs.uk)  
(Nuffield Department of Anaesthetics, John Radcliffe Hospital, Headington, Oxford OX3 9DU Telephone: 01865 221590)
